**In honor of Dr. Martin Luther King and Black History Month, HNC will be giving away hats & gloves to help keep our youth warm during these winter months.**

**One of Dr. King's quotes regarding giving back:**

**Martin Luther King Jr.'s fight for equality was unity: The idea that we needed to come together as people if anything is to be accomplished. "We must all learn to live together as brothers," he said during a speech in 1965, "or we will all perish together as fools."**
